**Attention: Groundskeepers, Custodians, Maintenance!**

# PESTICIDE APPLICATOR TRAINING

## Many Sessions to Choose From

**When:** February 14, 2012  
9:00 am to 11:00 am  
**OR**  
February 14, 2012  
1:00 pm to 3:00 pm  
**OR**  
February 15, 2012  
9:00 am to 11:00 am  
**OR**  
March 13, 2012  
9:00 am to 11:00 am

**Location:** Central Region Schools Insurance Group  
Training Room  
4101 Tully Rd., Suite 501  
Modesto, CA 95356

Please send any district employees who apply pesticides to one of the training sessions listed above.

**REMEMBER:** Pesticides are chemicals that kill pests. These include insecticides, like bug spray; herbicides like Round-up; and microbialcides like pool chlorine.

**This training is required annually.**

**NOTE:** If your employees attended in the Summer or Fall of 2010, they do not need to come to this training. This is for employees who have not attended a pesticide training session in the last year.

It is very important that someone from your district attend the training if they expect to handle, use, mix, load, or apply pesticides of any kind. Employees attending the workshop will receive a certificate of completion and training verification for your district records.
